Art Speaks Worksheet

NBMAA.ORG

If your artwork could speak, what would it say? At the New Britain Museum of American Art, we put labels next to each of our artworks to tell visitors about what they see. Now that you've created your own original work of art, take some time to write a museum label for it. Display it with your art, or attach it to the back.

- **Why** did you make your artwork?

What was your inspiration? What motivates you to make art?

- **How** did you make your artwork?

What tools, materials, or techniques did you use?

- **What** does your artwork mean to you?

Is there a personal story in your art? What do you want others to know about it?
